--	---

*\*(Some parts provided in different transpositions just in case)*

Mordents (optional) are on the beat: 

Traditional music session meets the orchestra: Backyard Polka & Segue Jig is a medley of original tunes written in traditional styles. In music sessions, each tune is played 3 times before moving on to the next one. It is inherently repetitive, giving everyone a chance to play the melody. To adapt this custom to the orchestral stage, I chose a bookended structure: Polka (1) – Jig (3) – Polka (1). Each instrumental section takes a turn making the melody their own. The finale is a rousing orchestral polka band complete with an accordion if you've got it.

**Written with community orchestras in mind**

Stated tempos are only suggestions
